Our custom battery swapping cabinets are at the heart of a fully integrated system, combining real-time battery tracking, performance analytics, and automated energy management.

Key Features oQuick battery-swap oData monitoring oEfficient operation oAnti-Theft Tracking oIntelligent management oSafety protection oPerformance guarantee ...

Durable 20kWh solar energy storage cabinet designed for off-grid and backup power. Provides reliable energy supply for remote and hybrid systems.

This energy storage cabinet is a PV energy storage solution that combines high-voltage energy storage battery packs, a high-voltage control box, an energy storage PV inverter, BMS, cooling systems (an ...

This energy storage cabinet is a PV energy storage solution that combines high-voltage energy storage battery packs, a high-voltage control box, an energy storage PV inverter, BMS, cooling systems (an ...

Founded in 2002, Huijue Group is a high-tech service provider integrating the integration and application of intelligent network equipment and intelligent energy storage equipment.

Key Features oQuick battery-swap oData monitoring oEfficient operation oAnti-Theft Tracking oIntelligent management oSafety protection oPerformance guarantee oProfessional customization

Deploy the BES20S Smart Hybrid Energy Cabinet for instant off-grid power. Combines 20kW diesel gen, solar, and 30.7kWh battery in one enclosure.
