What is the SrB6 Battery Cabinet?

This is a pre order item. We will ship it when it comes in stock. The SRB6 Battery Cabinet is an outdoor-rated enclosure that can hold up to 6x SR5K-UL battery modules for a total energy capacity of 30 kWh. The cabinet is outdoor-rated with automatic, temperature-controlled cooling fans (120VAC) to keep batteries operating at optimal temperature.

What are the features of a battery cabinet?

The cabinet is outdoor-rated with automatic, temperature-controlled cooling fans (120VAC) to keep batteries operating at optimal temperature. The cabinet ships pre-assembled for simple plug & play installation.

What are battery enclosures & cabinets?

Battery enclosures and cabinets are a safe way to store batteries and to protect them from the elements as well as providing a line of defense against theft.

What is a solar battery box?

This product is perhaps more commonly called a "solar battery box" but is also referred to as a "pole mount battery box". Some battery boxes are large enough to be considered battery cabinets and are usually made from painted steel. Battery enclosures keep your batteries safe from weather and safe from theft.
