What is a solar battery box?

This product is perhaps more commonly called a "solar battery box" but is also referred to as a "pole mount battery box". Some battery boxes are large enough to be considered battery cabinets and are usually made from painted steel. Battery enclosures keep your batteries safe from weather and safe from theft.

Each outdoor battery enclosure can be fitted with off the shelf battery trays and painted with outdoor powder, secured by long handle doors and seal with a rubber-filled gasket.
