What is a lithium battery cabinet?

A lithium battery cabinet offers several advantages over traditional lead-acid designs, including higher energy density, longer lifespan, faster recharge times, and reduced maintenance requirements. Lithium UPS batteries can deliver more runtime in a smaller footprint, making them ideal for facilities where space and efficiency are priorities.

Who can supply lithium-ion batteries in-house?

If you desire to prototype or assemble battery packs in-house, we can supply cutting-edge lithium-ion cells from leading manufacturers like Panasonic, Sanyo, LG, Samsung, Sony, BAK, Lishen, and others.

Who makes lithium-ion battery packs?

Both provide battery pack assembly and testing. Our battery pack manufacturing centers in Xiamen and Shenzhen provide additional services and the production of lithium-ion battery packs and cells. With over 50 years of combined experience in lithium-ion battery technology, no project is too big for us to handle.

Why do we supply bulk lithium-ion batteries?

Our strong network of partners enables us to supply bulk lithium-ion batteries with an internal emphasis on quality control and customer support. As a dependable lithium-ion battery supplier and battery pack manufacturer, we can deliver reliable energy storage solutions for any application.

Battery cabinets from diverse manufacturers APC, Toshiba, CC Power, Eaton, Powerware, Mitsubishi, Narada, and Salicru. We stock new and used battery cabinets in support of our energy storage ...

With 12 years in renewable energy storage, we've delivered over 2,800 battery cabinets across 37 countries. Our patented cooling technology extends system lifespan by 40% compared to industry ...

With advanced BMS intelligence for precise State of Charge and State of Health tracking, EnergyCore cabinets simplify installation, reduce maintenance, and ...

With advanced BMS intelligence for precise State of Charge and State of Health tracking, EnergyCore cabinets simplify installation, reduce maintenance, and optimize runtime.

Discover FM & EN certified lithium battery storage cabinets at LithiPlus. Shop top-rated solutions for secure, compliant battery storage in any setting.
