What are corrosive and acid storage cabinets?

These cabinets are designed to handle the most sensitive materials in work environments. Specialized leak-proof lining: Our corrosive and acid storage cabinets include specialized inner protection that controls leaks and keeps your employees and customers safe.

Are your storage cabinets corrosive?

All of our storage cabinets meet OSHA and NFPA Code 30 regulations and have inner protection to avoid leaks and keep employees away from harm. Additionally, all corrosive storage cabinets come with galvanized steel shelves and are finished in blue corrosive-resistant urethane. Need help finding what you are looking for?
