This product is a 200kW/480kWh industrial and commercial integrated energy storage cabinet utilizing Lithium Iron Phosphate (LFP) battery cells.

Optimizing the use of renewable energy: Maximize the use of photovoltaic power during the day, while excess power is stored for use at night. Peak shaving & Valleyfilling: Supply power to the ...

Discover the MEGATRON Series - 50 to 200kW Battery Energy Storage Systems (BESS) tailored for commercial and industrial applications. These systems are install-ready and cost-effective, ...

A standard 2-hour power backup solution is available for each cabinet, and the independent dual DC port design makes it easy to connect multiple cabinets for a 4-, 6-, or 8-hour expansion solution.

A standard 2-hour power backup solution is available for each cabinet, and the independent dual DC port design makes it easy to connect multiple cabinets for a 4-, 6-, or 8-hour expansion solution.

Provide various application solutions, fast delivery and installation. It has energy storage system and equipment-level 3D visualizations, real-time presentation system running status and ...

A standard 2-hour power backup solution is available for each cabinet, and the independent dual DC port design makes it easy to connect multiple cabinets for a 4-, 6-, or 8-hour expansion ...

Utilizing a patented outdoor cabinet protection system, this solution safeguards against dust, rain, and sand, while optimizing channels for heat dissipation. With a dual-door maintenance ...
