Are solar battery enclosure cabinets waterproof?

APX Enclosures offers custom-built solar battery enclosure cabinets. Each structure is waterproof and durable, constructed in your choice of aluminum, carbon or stainless steel. Beyond keeping your solar batteries protected from natural wear and tear, our cabinets ensure safety from theft and unauthorized access.

Why do you need an outdoor battery enclosure?

Outdoor battery enclosures keep your batteries safe from weather and safe from theft. Outdoor battery enclosure boxes also feature locking mechanisms that protect unauthorized people against possible electrical dangers if they happen to be tampering with your equipment. The main functions of outdoor battery box enclosure are:

Are battery cabinets NEMA & IP rated?

It is important to note that the NEMA and IP rating varies depending on where you will install the enclosure. A range of outdoor energy storage battery cabinets and outdoor lithium battery cabinets are available in standard and custom configurations, can be pole-mounted or ground-mounted.

Features Heavy batteries demand a solar battery box with extra strength and durability. In order to protect solar batteries from weather and damage, AZE manufactures custom NEMA 3R enclosures.
