Justrite's outdoor flammable safety cabinet is a rugged storage solution designed to provide secure and weather-resistant storage for flammable chemicals in outdoor settings.

EPI Chemical Storage Cabinets offer the highest quality and the best available technology to provide Safe Chemical Storage and storage of other hazardous materials. Fire and explosion resistant.

EPI Chemical Storage Cabinets offer the highest quality and the best available technology to provide Safe Chemical Storage and storage of other hazardous materials. Fire and explosion resistant.

With an EXPLORIS® chemical storage cabinet, such problems simply disappear because the gases of the stored chemicals are efficiently extracted before reaching the laboratory air.

Choose from our selection of chemical storage cabinets, including over 120 products in a wide range of styles and sizes. Same and Next Day Delivery.

Wide range of fully customisable chemical storage cabinets for safe storage of toxic and non-flammable hazardous materials, oils, corrosives, etc. View the product specifications and features!
