What is Zhiguang electric's battery energy storage system?

Zhiguang Electric's utility-scale battery energy storage system (BESS) offers a comprehensive and innovative solution for electrical energy storage. Our BESS ensures a reliable power supply, maximizes the potential of renewable energy sources, and significantly enhances grid stability.

Why should you choose robestec energy storage system?

In addition, the BMS, PCS and EMS systems independently developed by the company realize the intelligent operation and maintenance management of the energy storage system, and improve the operation and maintenance efficiency and safety. Since its founding in June 2019, Robestec has rapidly grown to become a leader in energy storage technology.

Did Zhiguang Electric Launch Qingyuan independent energy storage project?

Congratulations to Zhiguang Electric on the Successful Launch of Qingyuan Independent Energy Storage Project!

Zhiguang provides core products such as battery PACK, BMS, PCS and EMS, as well as complete energy storage power station, residential, industrial and commercial energy storage products and ...

Formerly known as DLG Electronics, PYTES started its business in Shanghai over 18 years ago.
