When will China's Hainan free trade port open?

China's Hainan Free Trade Port (FTP) will officially begin island-wide independent customs operations on December 18, 2025, marking a major milestone in the country's push for higher-level openness, officials announced on Wednesday.

Why is Hainan free trade port important?

"We will strive to build the Hainan Free Trade Port into an important gateway leading China's opening up in the new era, contributing to the sustained development of the Chinese economy as well as injecting stability and certainty into the world economy," said Yuan, assistant minister of commerce. ?

Will Hainan become a high-level free trade port by 2025?

South China's tropical island province of Hainan is intensifying efforts to establish itself as a high-level free trade port (FTP) by 2025. Key plans were outlined in a government work report presented during the annual session of the Hainan Provincial People's Congress on Tuesday.

Is Hainan China's most ambitious experiment in free trade & economic openness?

As global trade faces rising tariffs and growing protectionism, China is moving in the opposite direction by opening one of its doors wider. That door is Hainan, a tropical island now being positioned as China's most ambitious experiment in free trade and economic openness.

The southern island of Hainan is the next experimental cross-border data hub. Last week, Hainan released two rules paving the way for international data services in its Free Trade Port.
