What is the Hainan free trade port?

The creation of a free trade port is the highest level of opening-up in the world today. With rich natural resources and the advantages of being backed by China's mega-market, the Hainan FTP covers the entirety of the 33,900-square-kilometer Hainan Island. The FTP currently has eight open ports and 10 second-line customs ports.

How many ports does the Hainan FTP have?

The FTP currently has eight open ports and 10 second-line customs ports. China aims to build the Hainan FTP into an important gateway that leads the country's opening-up in the new era.

Will Hainan FTP be China's most open economic zone?

China's most open economic zone, will surpass existing Free Trade Zones (FTZs) with policies designed to drive unprecedented liberalization, aiming at a pioneering development comparable and competitive with globally renowned free trade hubs like Hong Kong and Singapore.

Will Hainan become a high-level free trade zone?

HAIKOU, China, Dec. 18, 2025 /PRNewswire/ -- A report from Hainan International Media Center: China's southern island province of Hainan officially launched island-wide special customs operations on Thursday, a key step in developing the Hainan Free Trade Port (FTP) into a globally influential high-level free trade zone by the mid-century.

The advantages for foreign firms are clear. The Hainan FTP combines zero-tariff treatment for most imports with free circulation of goods on the island, slashing logistics and ...

We will support the Hainan FTP to achieve a new height for China's opening-up, making it a high-level free trade port with strong international influence.

This is driven not only by cost advantages from duty-free hardware imports but also by Hainan's institutional alignment with high-standard international trade rules.

Chinese officials gush about their decision to turn the tropical island of Hainan into the world's largest free-trade port (FTP). They describe the move, which took effect in ...

China's boldest experiment in reform since 1978 and the world's largest Free Trade Port (FTP) on the island
