Our outdoor cabinets are pre-assembled for quick deployment and can operate reliably under wide temperature ranges. They ensure stable energy storage performance in challenging climates, ...

Discover our high-efficiency, modular battery systems with zero capacity loss and rapid multi-cabinet response. Ideal for industrial, commercial, and emergency applications, our solutions offer remote ...

From outdoor energy storage system cabinets to integrated cloud-based controls, EPC Energy has you covered. We want to help you create a sustainable future.

Combines high-voltage lithium battery packs, BMS, fire protection, power distribution, and cooling into a single, modular outdoor cabinet. Uses LiFePO4 batteries with high thermal stability, extensive cycle ...

Discover our high-efficiency, modular battery systems with zero capacity loss and rapid multi-cabinet response. Ideal for industrial, commercial, and emergency ...

HOLDONE Energy Storage Cabinets are purpose-built to facilitate effective energy management and enhance the safety of battery storage systems. With robust construction and high-quality materials, ...

Designed for harsh environments and seamless integration, this IP54-rated solution features a 105KW bi-directional PCS, optional air- or liquid-cooled thermal ...

From outdoor energy storage system cabinets to integrated cloud-based controls, EPC Energy has you covered. We want to help you create a sustainable future.
