What is medical cabinetry?

Our medical cabinetry is designed to optimize space, keep you organized, and create a professional environment to maximize your patient's comfort. Browse our selection of medical cabinetry to perfectly suit your exam room needs. Our wall-mounted cabinets and sink base cabinets offer convenient storage and easy access to essential supplies.

What kind of medical cabinets are best?

Metal medical cabinets and laminate medical cabinets are good options for durability. These materials are also easy to clean and disinfect to prevent bacteria buildup and ensure your patient's safety. Choose medical cabinets with easy-to-open doors and drawers for efficient access to supplies.

Which medical cabinets are best for a large exam room?

Medical cabinets for large exam rooms include freestanding cabinets or cabinets with sliding doors. Whichever you choose, our high-quality medical cabinets are guaranteed to provide reliable storage solutions for your medical facility. Ensure drawers and shelves can accommodate various medical supplies based on your needs.

What are Clinton medical cabinets?

They are specifically designed to meet the storage demands and work surface needs of private practice offices, clinics and hospitals. Available in a variety of standard sizes, Clinton medical cabinets are available in Clinton Classic Laminate or upscale, Clinton Fashion Finish.
