The powerful lithium batteries installed in the pre-wired cabinet provide power for critical loads, load sharing during night hours, or when grid power is at peak rates.

The NEMA type outdoor lithium battery enclosure can effectively control the inner ideal temperature of the cabinet and make the battery run in an ideal temperature condition.

Turnkey solution for 20kWh energy storage. Full kit with protection devices, cables, enclosure and batteries. Lowest Price Online and Best Delivery We added all the accessories, power cables, ...
