What are outdoor Telecom cabinets?

Our outdoor telecom cabinets are designed to protect your sensitive network equipment from harsh environments where equipment may be exposed to dust or water. For added protection, there is a water and dust proof polyurethane door joint strip.

Why should you choose Aze outdoor enclosures?

When it comes to safeguarding your electrical and electronic systems in demanding outdoor environments, AZE Outdoor Enclosures are the ultimate solution. Designed to meet the highest industry standards, our enclosures provide unmatched durability, weatherproofing, and reliability for a wide range of applications.

How do I choose a NEMA rated outdoor enclosure?

Finding outdoor enclosures that meet all of your application requirements is made simpler through NEMA ratings. Cabinets with a 3, 3R, 3S, 3X, 3RX, 3SX, 4, 4X NEMA standard are all properly made to withstand the outdoor elements to varying degrees.
