How to report on Palestine while respecting Palestinian humanity and dignity The context you need to understand what's happening in Palestine today How Israel's establishment changed Palestinian ...

Today, the region known as the Palestinian Territories includes the West Bank (a territory that sits between modern-day Israel and Jordan) and the Gaza Strip (bordering Israel and Egypt).

Though the concept of Palestinian citizenship for the purpose of international law has been revived, the in fieri realization of self-determination is still insufficient, thus Palestinians remain over the threshold ...

Israel released 15 bodies of Palestinians killed during its war in Gaza, three days after recovering the remains of the last hostage, in moves mediators hope will pave the way to carrying ...

The Palestinian territories have been in a state of political limbo for decades, and Palestinians' desire for independence and international recognition remains deeply contentious.

The conflict between Israel and the Palestinian people is one of the longest-running and most violent disputes in the world. Its origins go back more than a century.

The occupied Gaza Strip and West Bank, including east Jerusalem, make up the Palestinian territories.

In the early 21st century, Israeli Jews constituted roughly half of the population west of the Jordan River (primarily in Israel but also including Israeli settlers in the West Bank), and Palestinian ...
