The outdoor photovoltaic energy cabinet can provide reliable housing for network servers, edge computers, professional equipment, monitoring systems, photovoltaic, and battery systems.

The Outdoor Battery Cabinet offers versatile energy storage with capacities of 1MWh, 5MWh, and 10MWh. It features Lithium Iron Phosphate cores, IP54 protection, intelligent cooling, and fire safety ...

Combines high-voltage lithium battery packs, BMS, fire protection, power distribution, and cooling into a single, modular outdoor cabinet. Uses LiFePO4 batteries with high thermal stability, extensive cycle ...

From outdoor energy storage system cabinets to integrated cloud-based controls, EPC Energy has you covered. We want to help you create a sustainable future.

Once the storage batteries arrive at your project site, you can follow our installation guide to complete the setup yourself. If needed, we also provide free remote ...

From outdoor energy storage system cabinets to integrated cloud-based controls, EPC Energy has you covered. We want to help you create ...

Once the storage batteries arrive at your project site, you can follow our installation guide to complete the setup yourself. If needed, we also provide free remote support for installation and commissioning, ...

Highjoule's Outdoor Photovoltaic Energy Cabinet and Base Station Energy Storage systems deliver reliable, weather-resistant solar power for telecom, remote sites, and microgrids.
