-----

In order to effectively solve the shortcomings of traditional express cabinets such as limited service places and seasonal power supply obstacles, ...

EK-SG-D03 integrates high-efficiency solar panels, wind power generation systems and lithium batteries. The software automatically conditions the power supply priority to reduce the use of city ...

Discover the HJ-SG-D01 series outdoor communication single warehouse cabinet by Huijue Group, designed for hybrid power solutions in various harsh outdoor environments.

The double-axis tracking solar panels or fixed photovoltaic panels can be used for different regions. At the same time, it can be combined with a near-ground and low-speed wind ...

Modular solar power station containers represent a revolutionary approach to renewable energy deployment, combining photovoltaic technology with standardized shipping ...

The system integrates a 4.4kW solar panel array and a wind power generation system with a capacity of 600W to 2000W. Managed by AI, the system ensures low-carbon, ...

Highjoule HJ-SG-D03 series outdoor communication energy cabinet is designed for remote communication base stations and industrial sites to meet the energy and communication ...

The system integrates a 4.4kW solar panel array and a wind power generation system with a capacity of 600W to 2000W. Managed by AI, the system ensures low-carbon, energy-efficient, ...
