Are Nucor's CoLo Series cabinets UL rated?

Our CoLo Series cabinets are UL Listed, providing secure compartments and cable/power pathways. They are also Seismic rated and convertible from a single-compartment cabinet to 8-compartment enclosures.

Why should you choose a telecommunication cabinet?

Our telecom cabinets are built to withstand the toughest conditions, ensuring your equipment stays safe and secure. Designed with user convenience in mind, our cabinets provide easy access to all your telecom equipment for quick maintenance. Choose from a variety of sizes and configurations to meet your specific telecommunication needs.

What are UL-rated cabinets?

Our cabinets are UL-rated, meaning they meet the safety standards set by Underwriters Laboratories. They are also deployable, seismic, and come with features like recessed PDU cavities, and are configurable with or without doors, sides, and tops.

We help you choose the right cabinet based on your equipment dimensions, cooling needs, power requirements, and future scalability. If you're unsure, our team is here to guide you through the ...
