IP55Rated |24U |AC110V or 220V 2700BTU Cabinet Air Conditioner

What are outdoor Telecom cabinets?

Our outdoor telecom cabinets are designed to protect your sensitive network equipment from harsh environments where equipment may be exposed to dust or water. For added protection, there is a water and dust proof polyurethane door joint strip.

What is an outdoor telecom enclosure?

The outdoor telecom enclosures, which are also referred to as telecommunications cabinets, are fully enclosed cabinets that help protect electrical cabling and other equipment from potentially damaging environments. Such damage can be caused by dust, rain, ice, and external heat. What do you need to know about outdoor telecom enclosures?

What is a weatherproof outdoor enclosure cabinet?

A weatherproof outdoor enclosure cabinet protects sensitive equipment from environmental hazards like rain, snow, dust, and extreme temperatures. These cabinets ensure your devices remain functional and safe, even in harsh conditions. They also provide security features to prevent tampering or theft.
