Energy Storage System Products List covers all Smart String ESS products, including LUNA2000, STS-6000K, JUPITER-9000K, Management System and other accessories product series.

Provides remote on/off control of each output branch and multi-source inputs (PV, wind, AC, 12V, etc.) for power management flexibility. The Photovoltaic Micro-Station Energy Cabinet is a hybrid power ...

Durable waterproof sheet metal cabinets for lithium battery and solar storage systems. Customized design, weather protection, CNC cutouts, and fast delivery.

A reliable and efficient power distribution solution designed for photovoltaic grid-connected systems. The GGD cabinet integrates protection, control, measurement, and monitoring functions, ensuring safe, ...

The EK photovoltaic micro-station energy storage cabinet has redefined the power supply mode of distributed energy scenarios with its core advantages of ...

As a leading energy storage system supplier, Megarevo offers compact, integrated cabinet BESS designed for small C& I, hospitals, conferences, and weak power grid areas.

The IP54 waterproof shell makes it perfect to adapt to a variety of indoor or outdoor industrial and commercial application scenarios, such as photovoltaic charging stations, industrial parks, farms, etc.

Engineered with reinforced steel enclosure and IP55/IP65 protection class for dust, water, and corrosion resistance in severe climates. Combines high-voltage lithium battery packs, BMS, fire protection, ...
