Why should you consider a solar battery cabinet?

Power outages can leave you without lights,AC,Wi-Fi,and refrigeration for hours or even days. To prepare for such outages,caused by severe weather,an unreliable grid,or Public Safety Power Shutoffs (PSPS),consider getting up to 18 kWh of stored energy from a single PWRcell Battery Cabinet. Additionally,solar panels can continue generating power from the sun.

How much energy can a PWRcell Battery Cabinet store?

Get up to 18 kWh of stored energy from a single PWRcell Battery Cabinet,plus solar panels continue generating power from the sun. You can be without lights,AC,Wi-Fi,and refrigeration for hours or even days.

Can Generac PWRcell pair with any solar panels?

Generac PWRcell pairs with solar panels from most manufacturers. If you're looking for a fully-integrated solar +battery storage system,the Generac PWRcell is the right solution for you. Solar panels are sold separately.

Can PWRcell be paired with solar panels from most manufacturers?

PWRcell pairs with solar panels from most manufacturers. If you're looking for a fully-integrated solar +battery storage system,the Generac PWRcell is the right solution for you. Solar panels are sold separately.

Pick a strong outdoor battery cabinet to shield batteries from bad weather. Check for high IP or NEMA ratings for better protection. Choose a ...
