Which power bank should I buy?

The Nimble Champ is our top recommendation for most folks, but we have all sorts of alternatives here. Read our Best MagSafe Power Banks guide for magnetic wireless chargers, and our Best Portable Power Stations guide for more power. Updated November 2025: We've added a power bank from EcoFlow, and an honorable mention for a new Anker power bank.

What features should you consider when buying a portable power bank?

Pass-through charging is another feature to consider; with it, you can charge your device and a portable power bank simultaneously. That's convenient if both your phone and backup battery are running out of power.

Do I need a power bank?

If you are charging a small smartphone, a simple power bank will suffice. If you plan on charging a laptop occasionally as well, or many devices at once, you'll want a power bank with more power and more features.

Is mycharge a good portable power bank?

The charging cord is shorter than other models. This portable power bank from myCharge earned the top slot in our test for its portability, battery life, and ability to accommodate both iPhone and Android models. Thanks to the USB port, type C, and lightning cable adapters included, you don't have to bring your own cables.
